Technical Talk by Alumni

Farewell to final year students and Technical Interactive Session was organized by Department of Civil Engineering on 05-08-2021. The event focused the technical aspects in construction industries by our alumni Mr. Ranjan D S, Managing Director, RV Consultant and Services, Channagiri.

Technical Talk on “Value Added Software”

Department of Civil Engineering has organized a technical talk on “Value Added Softwares”, in association with INSTRUCT and ISTE professional bodies on 29-11-2021. Mr. Syed Ahmed, Structural Engineer, SMF Engineering Consultants, has delivered the technical talk.

Guest Lecture on “Preparation for Competitive Exams”

Department of Civil Engineering has organized a Guest lecture on “Preparation for Competitive Exams” on 8th December 2021. Mr. Sharath G N, Managing Director, Copper age, Davanagere has delivered the talk.

technical session on “Civil Engineering Softwares

Department of Civil Engineering has organized a technical session on “Civil Engineering Softwares” on 6th June 2022 in association with SKETCHPAD Designers & Engineers, Tumkur.

Technical Interactive Session by Alumni

Technical Interactive Session was organized by Department of Civil Engineering on 18-07-2022. The event focused the technical aspects in construction industries by our alumni Mrs. Priyanka S P, Managing Director, K M Constructions, Chikkamagalur

Academic year 2020-21

Webinar was conducted on “Smart Irrigation Using Internet of Things” jointly organized by Department of civil engineering and computer science and engineering. Resource persons are Dr. H S Govardhana Swamy, Prof. & Head, Civil department, Dr. Sanjay Pande M B, Prof. & Head, Department of CSE and Dr. Mouneshachari S Associate professor Department of CSE. The e-certificate was dropped into participants mail inbox after the feedback.

All the faculties of civil engineering department conducted online classes through Google meet, impartus , zoom and many shared their lecture video through YouTube with their students. Many faculties attended National level webinars conducted by different Institutions and attended Faculty development programmes through online platforms.
