Project Exhibition – 2018

Vice-principal, Principal & Chief Guest in student's projects exhibition

Inauguration by Prof. Veerappa B N, Chairman, Department of CSE, UB DTCE

A project exhibition cum competition was organized in the department for the final year students on **16th May 2018**. It is conducted to exhibit academic project work done by the students during their final year. Students showcased their project to the pre-final and second year students. Students were interacted each other and tried to convince the juniors about their work. Here juniors were allowed to query the work done. Through this final years came to know more about their project work. Each batch / team was given a stall to exhibit their work. Students came to the hall right about 9' O'clock in the morning to the venue and started arranging their respective stalls with posters, drawings and so on.

The programme was inaugurated by **Prof. Veerappa B N**, *Chairman, Department of Computer Science & Engineering, UB DTCE, Davangere* along with **Dr. P Prakash**, *Principal, GMIT, Davangere* and **Dr. B R Sreedhar**, *Vice Principal, GMIT, Davangere*. Exhibition held till 3 PM with proper verification and evaluation by the jury member. Finally, the best three projects were announced by the jury member in the valedictory ceremony, which was conducted next to the exhibition.
