DEPARTMENT LIBRARY – MECHANICAL ENGINEERING

Departmental library of Mechanical Engineering Department is equipped with over 1000+ books which cover Text/Reference books which cover syllabus of UG in Mechanical Engineering, Competitive Examination books (GATE, UPSC), Project Reports, Technical Seminar Reports and others. Objective of Departmental Library is to provide the facility of library on a regular basis for Students as well as Faculty members. The Students and Faculties can utilize the Library Resources for their study. Apart from books, departmental
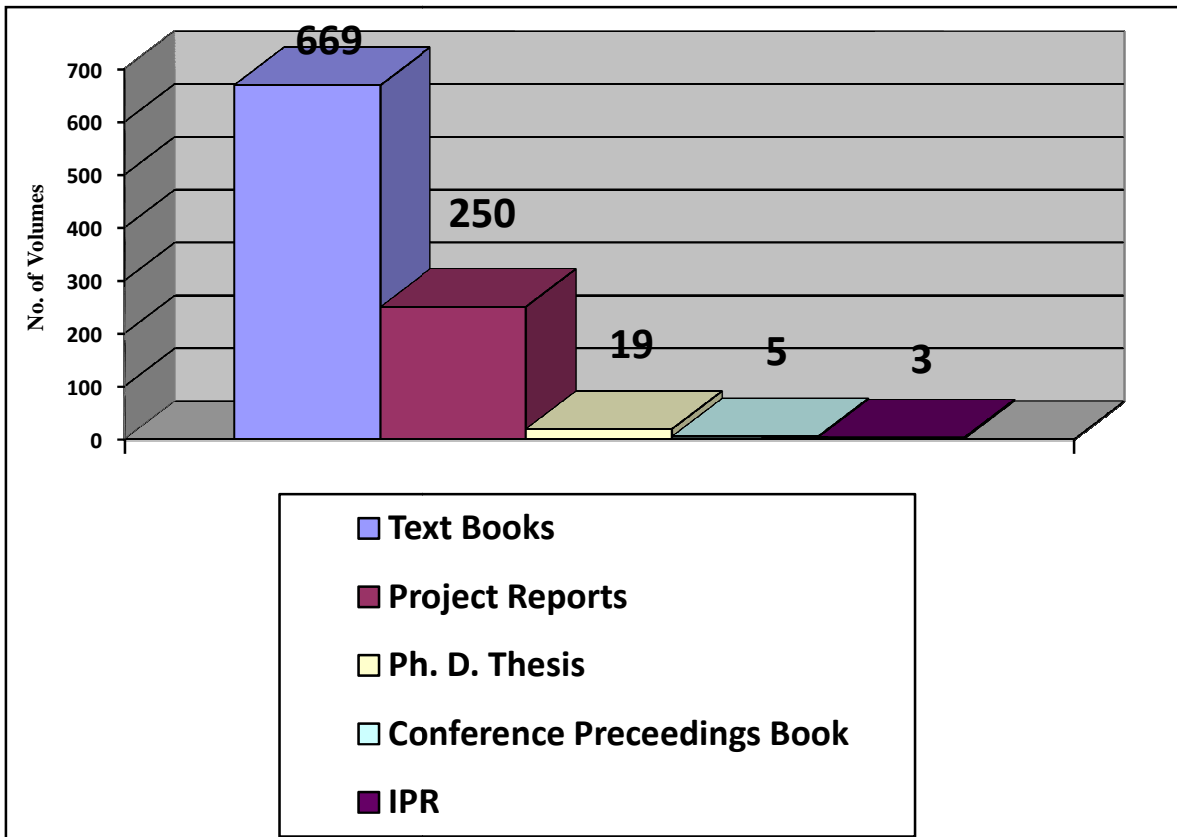

library also helps the students by providing previous year project reports and seminar reports from previous academic years which are essential to provide guideline for the upcoming students.
