NATIONAL INNOVATION AND STARTUP POLICY – NISP

Date: 11-02-2023

Minutes of Meeting

The committee meeting of National Innovation and Startup Policy (NISP) is conducted on 11/02//2023 at 11.00AM in Principal Cabin. Based on the agenda, following discussions and conclusions were held during the meeting.

The meeting was started by Dr. Sanjay Pande M B, Professor and Principal with the welcome talk to the faculties present in the meeting and he has broadly focused on following:

- As a road map to missionary vision, the GM Innovation and Startup Policy (GM - ISP) is formulated by the stakeholders from various fields towards fulfilling the objectives for enabling an innovation and entrepreneurial ecosystem in the Institute.
- On this context of the NISP, a committee is formed to formulate detailed guide lines for various aspects related to innovation, Start up and entrepreneurship management activities.
- The members reviewed NISP policy and guidelines and previous meeting minutes.
- After various rounds of discussion, Innovation and Start up Policy is prepared for students and faculties of GM Institute of Technology with the following some of the objectives:
 - a) To identify student innovators in the Institute and promote & support them to prepare business models.
 - b) To create supportive and vibrant environment to inspire the innovation attitude of the student entrepreneurs, startups/MSME and encourage them to design technology based products and services and thereby leading to job creation for strengthening the regional and national economy.
 - c) Exposure of maximum number of students to the innovative ideas and Start up.
- Principal motivated the committee members and insisted to design action plan under the guide line of NISP/AICTE.
