Report

DATE : 21/01/2023

TIME : 10.00 am– 12.00.pm

Attendees : Parents of III and V Semester Students, Program Coordinator and staff of the dept.

A meeting for Parents of III and V Semester students was held on 21st January 2023, from 10.00 am onwards. We received good response from parents. Parents of more than 40 students attended the meeting.

Meeting Presentation:

- The Program Coordinator Keerthi Prasad G initiated the meeting by welcoming the program coordinator, staff and all the parents.
- The presentation started with the introduction of all the staff of the department followed by overview of vision and mission of the program.
- The academic results, toppers details, student achievements, forum activities, details of various workshops and trainings on recent technologies conducted for students were discussed.
- Placement dedicated trainings offered by the department towards placement and skill enhancement were discussed.
- Parents were informed to advise their children to take up the NPTEL certification Exams to attain higher knowledge provided by IIT's which will be useful for the students.
- The parents were requested to support for the conduction of in-house internships, industrial visits/ academic tours and AICTE activities.

All the parents' whole heartedly appreciated the planning and action plan of the department and suggested to organize more of such useful events in the coming days.

Address by Program Coordinator: The program coordinator Keerthi Prasad G, addressed the gathering and thanked all the parents for their support.

- He informed the parents to pay the complete college fee of the academic year. For parents who requested for instalment, he insisted 50% of the fees to be paid at the beginning of the Odd semester and remaining 50% to be completed within the III Internals of the Odd semester.
- He suggested all the parents to join the parents WhatsApp group and to be active in observing and following the ongoing events and details posted in the group.

- He mentioned about utilizing the benefits of yoga which is offered by the college with proper guidance of dedicated yoga teacher to improve the mental stability and physical health of students.
- The Head of the department suggested all the parents to stay in touch with the respective mentors and class teachers and to visit the college frequently for continuous monitoring and better follow up of their children's progress.

Parents responded very positively for the appeal and agreed to proceed in benefit of students.

Parents Voice: During the interaction, some parents provided the suggestions / opinions like:

- Keeping the parents WhatsApp group still more active by posting the events details and attendance reports of their children.
- To enlighten students more about the benefits and preparation procedures of GATE and other equivalent exams. Some issues regarding scholarships, generation of fee receipts were discussed.

The parents were provided with the contact numbers of respective mentors and class teachers.

All the mentors and teachers along with the program coordinator interacted with parents regarding their children's' performance in the academics and their participation in the co-curricular events. Suitable Suggestions and guidance were provided for their improvement.

Finally, the meeting concluded with the Hi-tea.
